

Tribal Nations Mobile Wallet

Take Control of your Future

Financial Isolation

The Tribal Nations are completely surrounded by a foreign country that excludes them from Financial Services & the Payment Rails.

Build Your Own Mobile Wallet

- A single system run by an association.
- Each Tribe can have their own look/feel.
- You decide which services to offer to individuals as well as businesses.

However, a Mobile Wallet has limited value unless it can be used for everything.

Clear Purchase

We provide the Interoperability

- Internal network: people, businesses, merchants.
- Connect to US Payroll Companies & Employers.
- Connect to Internal/US Billers with Auto Bill Pay.
- Challenging: Connect directly to US Merchants.
- Purchase Guarantees & Dispute Resolution.

Value to Tribal Nations

- Control -> Preserve your Tribal Culture.
- Develop/grow desired financial services.
- Grow technology & financial industries.
- Retain & bring back tech-minded people.
- Option: Create Complimentary Currencies.
